Richards-Zeta Middle East and Near East CCRE Support Announcement

Richards-Zeta Building Intelligence, the leader in systems integration and protocol normalization, is pleased to announce the certification of 2 new System Integrator Strategic Partners to support the Cisco CCRE Program in the Middle East and Near East markets.

PHARAOH-TECH INC,

Pharaoh-Tech or P-T is a very large multi-discipline organization headquartered in Cairo, Egypt with sales, engineering, installation and technical support capabilities with a history of over 2,400 installations all over the greater Middle East region. Pharaoh-Tech, (P-T) brings the following capabilities to the RZ Partnership and CCRE:

Power Systems Dept

This division provides high voltage electrical generation and distribution systems including emergency power generation, transfer systems and data center support systems. Teams comprised of Sales, Sales support and Production teams consists of a team manager and specialized sales engineers backed up by sales support engineers. Production team consists of a team manager and 52 permanent production technicians that can be mobilized up to 210 technicians according to production loads.

Control System Dept

The Controls Division is also divided into Sales, Software support and Project teams providing design, engineering and installation of Building Systems including BAS, Life-Safety, Security, CCTV and Systems Integration. The Sales team consists of a team manager and specialized sales engineers backed up by software support engineers. Project teams consists of a team manager and nine project engineers backed up by 37 permanent projects technicians that can be mobilized up to 70 technicians according to projects needs.

Projects Dept

This division is divided between the Electromechanical team and Low voltage Team, each team consists of a team manager and four specialized engineers backed up by 2 senior technicians and 25 permanent projects technicians that can be mobilized up to 75 technicians.

PT is part of a large network of companies who design and deliver projects of all types and scopes in many countries and can bring these additional resources to any CCRE project regardless of the size and needs.

SECUTECH AUTOMATION

Secutech Automation (India) Pvt Ltd is currently one of the Leading Systems Integrators in the field of Electronic Security Systems and Facility Management Solutions in India.

Secutech operates from 24 x 7 office headquartered in Mumbai (The Financial Capital of India) and has its Branch Offices in Bangalore, Hyderabad, Chennai & Delhi.

Secutech is a Part of The Technis Group of Companies who have a very Strong Industrial Presence in India for the Past 65 Years.

The Core Strength of Secutech is its Team. Team Secutech comprises of specialists from varied fields like Control Automation, Networking, Software Development , Design & Engineering there by ensuring a totally customized solution for our clients.

Team Secutech has successfully executed Projects in various domains ranging from Industrial, Hospitality, Banking, Information Technology, Construction, etc. Team Secutech carries out the most Complex Installations and the Most Seamless Integrations for projects.

Secutech has successfully completed multiple projects with individual clients , which is a clear indication of the level of satisfaction evoked in the clients.

Secutech Building Solutions a division of Secutech, designs, installs, integrates and provides the Service to the Building Automation Industry.

Secutech will be incorporating the RZ technology platform with their existing systems and expanding their capabilities to including BAS and Building Systems Integration.

Richards-Zeta is excited to be represented by both of the above companies which bring highly skilled and large resources to the CCRE opportunities and RZ is looking forward to working with our partners and Cisco to further develop and deliver the highest level of technology, quality and value to our collective customers. For Sales and Technical support for any CCRE opportunity please contact Richards-Zeta at: sales@richards-zeta.com or call us at 805-692-5560. RZ will provide a direct contact based on the location and scope of the opportunity. For additional CCRE support materials please refer to our website at: www.richards-zeta.com
